

The Unguarded Moment

The Church

So hard finding inspiration
I knew you'd find me cryin'
Tell those girls with rifles for minds

That their jokes don't make me laugh
They only make me feel like dying

In an unguarded moment

So long, long between mirages
I knew you'd find me drinking
Tell those men with horses for hearts

That their jibes don't make me bleed
They only make me feel like shrinking

In an unguarded moment

So deep, deep without a meaning
I knew you'd find me leaving
Tell those friends with cameras for eyes

That their hands don't make me hang
They only make me feel like breathing

In an unguarded moment
In an unguarded moment
In an unguarded moment

In an unguarded moment
In an unguarded moment
In an unguarded moment
In an unguarded moment

(In an unguarded moment)
In an unguarded moment
(In an unguarded moment)
In an unguarded moment
