

Sweden

The Strangers

Let me tell you about Sweden
Only country where the clouds are interesting
Big Brother says it's the place to go

Too much time to think, too little to do
Too much time to think, too little to do
Too much time, too little to do
'Cos it's all quiet on the Eastern front

Fluctuations at a minimum
Hypochondriac tombstone
Sense of humour's gone astray somewhere

Too much time to think, too little to do
Too much time to think, too little to do
Too much time, too little to do
'Cos it's all quiet on the Eastern front

Cumulus nimbus floats by

Fluctuations at a minimum
Hypochondriac tombstone
Big Brother says it's the place to go

It's all quiet on the Eastern front
(All quiet on the Eastern front)
It's all quiet on the Eastern front
(All quiet on the Eastern front)
It's all quiet on the Eastern front
(All quiet on the Eastern front)
It's all quiet
