

# In the Air

## Fishbone

It's not the liars that can set you free  
It's not the riches that you can't foresee  
No, it's not the monkey or the LSD  
It's not the powers that beIt's always in the air  
It's always in the air  
And it always will be there  
It's always in the airIt's not decisions made in city halls  
It's not amusement parks or shopping malls  
No, it's not the preachers when the tower falls  
It's not manipulated lawsIt's always in the air  
It's always in the air  
And it always will be there  
It's always in the airIt's in the answer no one ever knows  
It's in the orphan children no one choseIt's always in the air  
It's always in the air  
And it always will be there  
It's always in the air, airIt's always in the air  
It's always in the air  
It's always in the air  
It's always in the air
