

# Love and War

## Drowning Pool

Promise that you always will  
Keep candles lit on the windowsill  
You know I'll be comin' home You know I never wanted to go away  
But what am I supposed to say  
When I hear the sounds of the trumpet call  
Who says All is fair in love and war Your pictures kept close to my heart  
Letters all but fall apart  
Each night I read them over again You know I never wanted to go away  
But what am I supposed to say  
When I hear the sounds of the trumpet call  
Who says You know I never wanted to go away  
I swear  
It's war
