

# Sun King

## Bee Gees

This is where it all ends  
And the kinda dream that you've never seen  
Well, yeah  
Hot damn, ooh, mercy ma'am  
What the hell you doin' to me?  
Ah, struttin' 'round with your head held high  
What you tryin' to prove, girl?  
Black haired missy, big brown eyes  
On my knees, mama please  
I'm a regal man, I'll do what I can  
To take you off to the promised land  
I'm a sun king, baby  
Let me take you by the hand  
Sun king, honey  
We can rule across the land  
I'm a sun king, baby  
With you, I'll share my throne  
A sun king, honey  
I can't make it on my own, no  
Hey, look out, little missy's about  
Rippin' up the town, yeah  
Honey, I can't tie you down  
Woman, you make me frown  
Long legged lady with a black dress on  
On my knees, mama please  
I'm a regal man, I'll do what I can  
To t-t-take you to the promised land  
A sun king, baby  
Let me take you by the hand  
Yeah, sun king, honey  
We can rule across this land  
I'm a sun king, baby, baby  
With you, I'll share my throne  
A sun king, honey  
I can't make it on my own, yeah  
Let me tell you people  
Now, listen good  
City crawlin' like a tired dog, yeah  
Cult children in the house of the dawn, yeah

Time was wasted 'cause it's gone too fast

Time was wasted 'cause it's gone too fast

I see the sun begin to shine

I see the sun begin to shine

A sun king, baby

Let me take you by the hand

Oh, sun king, honey

We can rule across this land

I'm a sun king, baby, yeah, yeah

With you, I'll share my throne

A sun king, honey

I can't make it on my own, oh

I'm a sun king, baby

Sun king

Sun king, baby

Sun king, baby
