Hit him with the revolver so the can't solve it

Keep my ice on so you know how to spot me
I bounce out on a nigga like stick'em up
Since Dre left nigga I don't give a fuck
They tell me calm down stick to this rap shit
But fuck these bitch ass niggas and this rap shit
See I'm a real nigga straight from Sem City boy
Ever feel disrespected, go and get the Semi boy
And I can't stop, I move like a Mob boss
10 minutes later now his whole block taped off
And I aint squashing shit, I'm tripping for life
So all you bitch ass niggas know it's on sight
See It's the kid and I don't give a fuck about a nigga

This rap shit crazy, a lot of niggas hate me
But I don't give a fuck, cause' now you niggas pay me

All you niggas get on T.V. and holla Town business

Where the fuck you at cause' I don't never see you niggas

My young niggas on the block, posting with the yay
5 year felony with a stay away
But I don't listen to shit, I don't stay away

[3rd Verse]

The hottest nigga in East Oakland by far
And I aint never gave a fuck what you niggas thought
You fucking rap niggas, don't make me clap niggas
You know I like to talk shit up on these trash niggas
But I keep it real, and that's a different rich
Get your money up, I'm all about the dividends
It's young Philthy Rich, Funk or Die tatted
A nigga play leave him sick like a diabetic
I'm from the Sem -i-n-a-r-y
You fuck with one of my niggas then you know we all ride
Top to the block, Sem City's finest
If you looking for me boy I'm on Seminary grinding
I'm good in the hood, 24's on a body
Young nigga in the hood just caught his first body
Ey get off a rich nigga dick. Why?
Cause' that's bitch nigga shit (Philthy)
