This Is Who I Am

Will Young

I don't wanna be here forever
You can hide on your own in your own special way
with nothing to say
Well enough is enough and i mean it
When your livin it up no you cannot get down
You cannot get down
I have things to say
Don't you stand in my way
This is who i am
SO BAD!!!
I'm turning it around
I have Been away
I have been Re-born
I'm feeling it in my soul
This is were i stand
this is how i feel
I had to decide
This is who i am
I can open my eyes and believe it
The smile in my heart there's a feeling inside
A feeling inside
its my love its my life and i live it
The way that i choose i don't care if its right
If its right
I have things to say
Don't you stand in my way
This is who i am
SO BAD!!!
I'm turning it around

I have Been away
I have been Re- born
I'm feeling it in my soul
This is were i stand
this is how i feel
I had to decide
This is who i am
Now i feel i found a way to go
Don't stand in my way

Oh i never feel a fool
Coz' its easy not to say
I don't wanna tell you to give it up
Coz' its easily mistaken
Your out of your mind
Ive seen you before
I don't wanna tell you to give it up
there's no way I'm self destructing
I will see you fall..... away
I'm turning it around
I have Been away
I have been Re- born
I'm feeling it in my soul
This is were i stand
this is how i feel
I had to decide
This is who i am
Don't give it up
Don't give it up
Hey don't give it up
Don't give it up
