

Missing You (Savid Remix)

Kim English

Everytime I think of you, I always catch my breath
And I'm still standing here, and you're miles away
And I'm wonderin' why you left

And there's a storm that's raging through my frozen heart tonight I hear your name in certain circles, and it
always makes me smile

I spend my time thinkin' about you, and it's almost driving me wild
And there's a heart that's breaking down this long distance line tonight I ain't missing you at all since you've
been gone away

I ain't missing you, no matter what I might say There's a message in the wire, and I'm sending you this signal
tonight

You don't know how desperate I've become
And it looks like I'm losing this fight

In your world I have no meaning, though I'm trying hard to understand
And it's my heart that's breaking down this long distance line tonight [Chorus]
I ain't missing you at all since you've been gone away

I ain't missing you, no matter what my friends say And there's a message that I'm sending out, like a telegraph
to your soul

And if I can't bridge this distance, stop this heartbreak overload [Chorus]
I ain't missing you, I ain't missing you,
I can lie to myself And there's a storm that's raging through my frozen heart tonight [Chorus]
Ain't missing you, I
ain't missing you

I ain't missing you, I can lie to myself
Ain't missing you, I ain't missing you
I ain't missing you, I ain't missing you

I ain't missing you, I ain't missing you, ain't missing you, oh no
No matter what my friends might say, I ain't missing you...
