Blue Hotel

Lene Lovich

Hello...The sky I scan for you, radiate
Encounter, communicate
My world waits for you, anticipate
Possiblities awaitChorusStay a while at the Blue Hotel
Play a while at the Blue Hotel
There's a million things we could do
Spend time at the Blue Hotel
Excite your mind
Me and you at the Hotel Blue
So secret, so lonely, please relate
Why remain so isolate?
ChorusNo stranger, come closer, associate
Make contact, don't hesitateChorus (twice)...
