

You Said Something

[PJ Harvey](#)

On a rooftop in Brooklyn
At one in the mornin'
Watchin' the lights flash
In Manhattan I see five bridges
The Empire State Building
And you said something
That I've never forgotten Lean against railin's
Describin' the colors
And the smells of our homelands
Acting like lovers How did we get here?
To this point of living
I held my breath
And you said somethin' And I'm doin' nothin' wrong
Ridin' in your car
Your radio playing
We sing up to the eighth floor A rooftop, Manhattan
One in the mornin'
And you said somethin'
That I've never forgotten You said somethin'
You said somethin'
You said somethin'
That was really important
