

# Hooked On The Love

**Buju Banton**

She said she get hook on love with crave  
Swear to Gargamel she would not misbehave  
Why she hook on the love with a crave swear to Gargamel  
Hear we

If you don't know the housework you will need to get your  
practise

Like caress her body with plenty tenderness  
A woman look for man to love them not to box and kick  
Precision love tight like a vice grip  
Sail away far on a cruise ship  
Tell you how your pretty compliment you on your hips  
Relax by the pool enjoy skinny dip  
Last week was Acaopco next week Memphis  
Try your best to fulfill her every wish  
Never met a woman with such class like this  
Miss woman you a rail and kick

Nature take me and you I am your call  
I can't forget I longing to hold you in my arms  
Cisarm your body really take charge  
Tender caressing hot oil massage  
Far in a night gown not to mention in a your (emmm)  
Drastic measure girl a you i want  
Long time now I am watering your plant  
Hear Buju Banton a say what am I saying
