

Walk On The Ocean

Toad The Wet Sprocket

We spotted the ocean at the head of the trail
Where are we going, so far away?
Somebody told me this is the place
Where every thing's better and every thing's safe
Walk on the ocean, step on the stones
Flesh becomes water, wood becomes bone
Half an hour later, packed up our things
Said, we'd send letters and all of those little things
And they knew we were lying but they smiled just the same
Seemed they'd already forgotten we'd come
Walk on the ocean, step on the stones
Flesh becomes water, wood becomes bone
Walk on the ocean, step on the stones
Flesh becomes water, wood becomes bone
Now back at the homestead, where the air makes you choke
People don't know you, trust is a joke
Don't even have pictures, just memories to hold
Grows sweeter each season, as we slowly grow old
