

Harry Potter vs. Twilight (Instrumental)

Scott & Brendo

Yo, we the Hogwarts crew
Gotta wand that I know how to use
Expecto Patronum
Back up, you vamps don't know us
Uh, now you in for a treat
Power up, time to bring heat
Stupefy, time to die
These woods ain't big enough for you and I Have you seen my face?
Do I care bout your witchcraft game?
Yeah right, no way
Keep playin' dress-up all day
So hot, so mythical
Jaw drop, lookin' so pitiful
We are invincible
We are the pinnacle Right Baby girl? (Bella: What are you doing here?)
Renesme: What mom?
Edward: Renesme.
Renesme: Yes?
Edward: You know what to do.
Renesme: Okay) Get down, get down below
Light, light (4x) Yo, we the Hogwarts crew
Gotta wand that I know how to use
Avada Kedavra
So long, yep I gonna blast ya
Uh, now you in for a treat
Power up, time to bring heat
No surprise, time to die
These woods ain't big enough for you and I Get down, get down below
Light, light (4x)
