Tape Song

The Kills

You've got to
You've got to
You've got to
You've got toTape ain't gonna fix it
Honey, it ain't gonna stick
Tape ain't gonna fix it
Honey, it ain't gonna stick to youSix kinds of glue
Won't hold you, won't hold you
Oh my oh, oh myYou've got to
You've got to go straight ahead
You've got to
You've got to go straight aheadYou've got to
You've got to go straight ahead
You've got to
You've got to go straight aheadTime ain't gonna cure you
Honey, time don't give a shit
Time ain't gonna cure you
Honey, time's just gonna hit on youI said, "Time ain't gonna cure you
Honey, time don't give a shit"
Time ain't gonna cure you
Honey, time's just gonna hit on youYou've got to
You've got to go straight ahead
You've got to
You've got to go straight aheadYou've got to
You've got to go straight ahead
You've got to
You've got to go straight aheadAnd time ain't gonna cure you
Honey, time don't give a shit
Time ain't gonna cure you
Honey, time's just gonna hit on youI said, "Six kinds of glue
Won't hold you, won't hold you"
Oh my oh, oh my you've got to
You've got to, you've got toYou've got to go straight ahead
Go straight ahead
You've got to
You've got to go straight aheadYou've got to
You've got to go straight ahead
You've got to
You've got to go straight aheadYou've got to

You've got to go straight ahead
You've got to
You've got to go straight aheadYou've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead
