

Tape Song

The Kills

You've got to
You've got to
You've got to
You've got to Tape ain't gonna fix it
Honey, it ain't gonna stick
Tape ain't gonna fix it
Honey, it ain't gonna stick to you Six kinds of glue
Won't hold you, won't hold you
Oh my oh, oh my You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead Time ain't gonna cure you
Honey, time don't give a shit
Time ain't gonna cure you
Honey, time's just gonna hit on you I said, "Time ain't gonna cure you
Honey, time don't give a shit"
Time ain't gonna cure you
Honey, time's just gonna hit on you You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead And time ain't gonna cure you
Honey, time don't give a shit
Time ain't gonna cure you
Honey, time's just gonna hit on you I said, "Six kinds of glue
Won't hold you, won't hold you"
Oh my oh, oh my you've got to
You've got to, you've got to You've got to go straight ahead
Go straight ahead
You've got to
You've got to go straight ahead You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead You've got to

You've got to go straight ahead
You've got to
You've got to go straight ahead You've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead
