Tape Song

The Kills

You've got to

You've got to

You've got to

You've got to Tape ain't gonna fix it

Honey, it ain't gonna stick

Tape ain't gonna fix it

Honey, it ain't gonna stick to youSix kinds of glue

Won't hold you, won't hold you

Oh my oh, oh myYou've got to

You've got to go straight ahead

You've got to

You've got to go straight aheadYou've got to

You've got to go straight ahead

You've got to

You've got to go straight aheadTime ain't gonna cure you

Honey, time don't give a shit

Time ain't gonna cure you

Honey, time's just gonna hit on youI said, "Time ain't gonna cure you

Honey, time don't give a shit"

Time ain't gonna cure you

Honey, time's just gonna hit on youYou've got to

You've got to go straight ahead

You've got to

You've got to go straight aheadYou've got to

You've got to go straight ahead

You've got to

You've got to go straight aheadAnd time ain't gonna cure you

Honey, time don't give a shit

Time ain't gonna cure you

Honey, time's just gonna hit on youI said, "Six kinds of glue

Won't hold you, won't hold you"

Oh my oh, oh my you've got to

You've got to, you've got to You've got to go straight ahead

Go straight ahead

You've got to

You've got to go straight aheadYou've got to

You've got to go straight ahead

You've got to

You've got to go straight aheadYou've got to

You've got to go straight ahead
You've got to
You've got to go straight aheadYou've got to
You've got to go straight ahead
You've got to
You've got to go straight ahead
