Give Up, Give In, Lie Down

Dry Kill Logic

A broken man that waits to die
It's no good but I wonder why
You have left me here
My pride, forgave, riseGive up, give in, lie down
I never willAs I lay, how I have dreamed of this day
All the things I thought I would say
Now all I can do is pray and wait
RiseGive up, give in, lie down
I never willCrucified, I alone lay here
My pride, forgave, riseGive up, give in, lie down
I never will, never will
