

# Satisfy (Cuboid Remix) (320 Kbps)

Nero

I can feel it tonight, I know I'll catch your eye  
Touching you feels so right, let me come inside  
Just come with me tonight, take me for a ride  
Touching you feels so right, let me, let me satisfy  
Let me satisfy  
Let me, let me satisfy  
Let meLet me satisfyI can feel it tonight, I know I'll catch your eye  
Touching you feels so right, let me come inside  
Just come with me tonight, take me for a ride  
Touching you feels so right, let me, let me satisfy  
Let me satisfy  
Let me, let me satisfy  
Let meLet me, let me satisfy!  
Satisfy!  
Let me, let me satisfy!
