

# Are the Good Times Really Over

[Wynonna Judd](#)

I wish a buck was still silver, it was back when the country was strong  
Back before Elvis, before the Vietnam War came along  
Before The Beatles and 'Yesterday' a man could still work and still would  
Is the best of the free life behind us now?  
Are the good times really over for good? Are we rolling downhill like a snowball headed for hell?  
With no kind of chance for the flag or the Liberty Bell  
Wish a Ford and a Chevy could still last ten years like they should  
Is the best of the free life behind us now?  
Are the good times really over for good? I wish coke was still cola and a joint was a bad place to be  
Back before Nixon lied to us all on TV  
Before microwave ovens when a girl could still cook and still would  
Is the best of the free life behind us now?  
Are the good times really over for good? Are we rolling downhill like a snowball headed for hell?  
With no kind of chance for the flag or the Liberty Bell  
Wish a Ford and a Chevy could still last ten years like they should  
Is the best of the free life behind us now?  
Are the good times really over for good?
