Blitzkid

Up in the distance, stands a grove of trees There are undead there i want their diseasei want to be among the dead tonite
i want to stumble through a moonless nite
i want to see my flesh go through decay
i wouldnt have it any other wayi think i knew you
once when my viens flowed blood
but now I'd rather
go sleep in the mudi want to be among the dead tonite
i want to stumble through the moonless nite
i want to see my flesh go through decay
i wouldnt have it any other way....oh yeahamong the dead tonite.
