

Dance Away

Derreck Simons

Yesterday, when it seemed so cool
When I walked you home, kissed goodnight
I said, "It's love", you said, "Alright"
It's funny how, I could never cry
Until tonight, when you pass by
Hand in hand with another guy
You're dressed to kill and guess who's dying
Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away the fear
Dance away
Loneliness is a crowded room
Full of open hearts turned to stone
All together, all alone
All at once my whole world had changed
Now I'm in the dark, off the wall
Lit the strobe light up the wall
I close my eyes and dance till dawn
Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away the fear
Dance away, dance away, dance away
Now I know I must walk the line
Until I find an open door
Off the street or onto the floor
There was I, many times a fool
I hoped and prayed but not too much
Out of reach is out of touch
All the way is far enough
Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away the fears
Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away the fears

Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away the fears
