

A Thousand Miles (feat. Alex Goot)

Boyce Avenue

Making my way downtown, walking fast
Faces pass and Im home bound
Staring blankly ahead, just making my way
Making a way through the crowd And I need you
And I miss you
And now I wonder If I could fall into the sky
Do you think time would pass me by?
Cause you know Id walk a thousand miles
If I could just see you tonight Its always times like these when I think of you
And I wonder if you think of me
Cause everything's so wrong and I dont belong
Living in your precious memory And I need you
And I miss you
And now I wonder If I could fall into the sky
Do you think time would pass me by
Cause you know Id walk a thousand miles
If I could just see you tonight And I, I dont wanna let you know
I, I drown in your memory
I, I dont wanna let this go
I, I dont Making my way downtown, walking fast
Faces pass and Im home bound
Staring blankly ahead, just making my way
Making a way through the crowd And I still need you
And I still miss you
And now I wonder If I could fall into the sky
Do you think time would pass us by?
Cause you know Id walk a thousand miles
If I could just see you If I could fall into the sky
Do you think time would pass me by?
Cause you know Id walk a thousand miles
If I could just see you
If I could just hold you tonight
