

Turn Your Back On Me

Kajagoogoo

Turn your back on me
yeah
turn your back on me
yeah.
Loved you like no other
I loved you like a brother.
What do I discover? I know I won't recover.
I can't help myself
I can't help myself
Loved you like no other
I know I won't recover.
Tuni your back on me
yeah
Now you turn your back on me
turn your back on me now
Oh
turn your back on me
now
turn your back on me
yeah
Now you turn your back on me
your back on me
your back on me
Now you turn your back on me.
Much more than I ought to
I loved you like a daughter.
Got me in deep water
and now I got to face the torture.
I can't help myself
I can't help myself
Much more than I ought to
I loved you like a daughter.
Turn your back on me
yeah
...
Turn your back on me
yeah
...
Much more than I ought to

I loved you like a daughter

...

Turn your back on me
yeah

...

Oh

you turn your back on me
turn your back on me
little girl

Now you turn your back on me

...
