

Mother Mother

Rayland Baxter

Mother mother, how are you
Why you hide the way you do?
Yellow red and baby blue
Every day I dream of you
Brother brother why you cry
As you fly away into the night Gold and silver black and white
Where do we go when we die?
Maybe heaven or maybe hell
Or maybe even somewhere else
Take a look it's hard to tell
Nothing matters in the end
Oh la di da di da di da
La di da di da di da
La di da di da di da
Oooooooh Oh my dandelion why'd you go
Is there any time to make the show?
Play the song in minor key
Oh dandelion sing to me
Oh la di da di da di da
La di da di da di da
La di da di da di da
Oooooooh Take a look it's hard to tell
Nothing matters in the end
