

# 18 Days (Album Version)

## Saving Abel

Its been 18 days  
Since I'd look at myself  
I don't wanna have to change  
If I don't then no one will  
Is it my state of mind  
Or is it just everything else  
I don't wanna have to be here  
I don't understand it now[Chorus]  
'Cause its been eighteen days  
Since I first held you  
But to me it feels just like  
It feels like a lifetime  
I'm trying hard to re-arrange  
Some say its the hardest thing to do  
But that's another eighteen days  
Without youTime after time  
I've been through this  
You show me what it means to live  
You give me hope when I was hopeless  
As my days fade to night  
I remember that state of mind  
I'm soaring straight into your heart  
And I'll fly high[Chorus]And I know what they say  
About all good things  
Will they come to an end  
But I'll fight this time  
So that we might  
Have a chance at this'Cause it's been eighteen days  
Since I'd look at myself  
I don't wanna have to change  
If I don't then no one will'Cause its been too many days  
Since I first held you  
But to me it feels just like  
It feel like a lifetime  
I'm trying hard to re-arrange  
Some say it's the hardest thing to do  
But that's just too many days without youAnd I know what they say  
About all good things  
Will they come to an end

But I'll fight this time  
So that we might  
Have a chance at this
