

# Apathy

## Cyanide Pills

You want to look at the edge of madness  
Just to see to see  
You want to find what you're missing out on  
Well come on over here child talk it all to me  
Don't you come here wasting my time  
I'm going to make it just fine

Now you're bent on the edge of blindness  
What you trying to see?  
You want to walk with a soul of darkness  
But stepping on those coals  
You get those blisters on your feet  
Well, don't you come here wasting my time  
I'm going to make it just fine

Can't there be some other way, can't we make you stay  
In apathy?

So take a chance a soul divided stance  
And bend before your needs  
The waiting room is full you've pressured and you've pulled  
So don't you come here wasting my time  
Child I'm going to make it just fine
