

I Guess I'll Have to Change My Plan

Lester Young

I guess I'll have to change my plan
I should have realized there'd be another man
I overlooked that point completely
Until the big affair began Before I knew where I was at
I found myself upon the shelf and that was that
I tried to reach the moon but when I got there
All that I could get was the air My feet are back upon the ground
I lost the one girl I'd found
Before I knew where I was at
I found myself upon the shelf and that was that I tried to reach the moon but when I got there
All that I could get was the air
My feet are back upon the ground
I lost the one girl
The one girl I'd found
