

3 Minute Murder

Twista

Twista's got skill

Yes I kill

Like Buffalo Bill

I'll be putting in the game

Like the niggas from the South

If a nigga's talking shit

I'll but the head into the mouth

?

I'll make the nigga sink

Cause I got venin in my mouth

?

Kill them with the rap

Ain't hard with this beat

? sequence

I am independent

I got to charge you to beat this

Niggas can't see me

I'm Ray Charles on an Eclipse

?

Twista gonna get money

Like a

When it comes to flows

I'm gonna spit them like ãfÂç? Â!

When it comes to niggas' heads

I'm gonna split them like a

Cause my lyrics will be too good

To call me Twista ? eye

? niggas wanna get me

They'd better freak new ?

?somebody better will get you medicine

Twista I'm gonna get the issue relevantBeat your face until it drops

And you look like an

Can nobody fuck with me ?

? go check out my cargo

You know you're gonna be with me wherever my car goesWhen it became a murder cause I'm off the block

? your hands up cause it's hip hop

I'd rather be rapping about the streets and making a ?

But it's time to do something so these shorties won't get pop

Meanwhile back to the lab
I got the ? equal
Your mother fucking ? kills a lot of people
Show up on a ? let them know ? equalI am the shit
