Fool to Think

Jonathan Clarke

Look at me dreaming of you
All I could hope is to have you
To have you walking with me
Laughing so in love, we two
Almost drunkenly
I did imbibe of this
Fantasy of you and meWas I a fool to think?
The way you looked at me
I swear you did
But you looked away too quick
Was I a fool, was I a fool to think
That you would take me home
As if I was yours?
Was I fool to think it all?I've grown tired of love
You are the trouble with me
I watch you walk right by
I smile, you do not notice me
Treat me recklessly
All you do is toss me pennies out
But the silence in me is screaming
Won't you come and get me?Was I a fool to think?
The way you looked at me
I swear you did
But you looked away too quick
Was I a fool, was I a fool to think
That you would take me home
As if I was yours?
Was I a fool to think at all?Was I a fool to think?
The way you looked at me
I swear you did
But you looked away too quick
Was I a fool, was I a fool to think
That you would take me home
As if I was yours?
Was I a fool to think at all?You make a mess of me here
I've dance a thousand steps for you
If you say yes to me
I'll be whatever gets you throughYou make a mess of me here
(Was I a fool?)

I've dance a thousand steps for you
(Was I a fool?)
Was I a fool, was I a fool to think?
Am I a fool, am I a fool for you?
