

Changing Channels

Jimmy Buffett

Girl of a thousand faces
From a long line of basket cases
Daughter of a fortune teller
Oh, the lovely Isabella She's changing channels
Stayin' on her toes
She's just changing channels
As she goes This place is full of beachhead sailors
Fishermen and old retailers
Simple lives are so deep seated
And history always gets repeated Some folks see a birds eye view
Others haven't got a clue
Some will go and some will stay
It doesn't matter anyway They are changing channels
Crazy girls and boys
They'll be changing channels
Changing toys Survivors of tidal waves
Children of former slaves
Strange how they all behave
Like it's another world There's an island in the ocean
Where the people stay in motion
Somewhere on the old gulf stream
Do they live or did I dream They were changing channels
Waitin' for their sails to fill
They'll be changing channels
Always will They'll be changing channels
Waitin' for their sails to fill
They'll be changing channels
Always will
