

My Heart Skips a Beat

[Buck Owens](#)

Oh, my heart skips a beat when we walk down the street
I feel a trembling in my knees
And just to know you're mine until the end of time
Makes my heart skip a beat Well, I did a double take the day I met you
My heart turned a flip as I stood next to you
And I knew right there I never could forget you
For you are my every dream come true And my heart skips a beat when we walk down the street
I feel a trembling in my knees
And just to know you're mine until the end of time
Makes my heart skip a beat You came into my life without a warning
And you turned my cloudy skies from gray to blue
You're my sunshine that comes up every morning
Yes you are my every dream come true
