Oh Baby Babe

Johnny Burnette

Oh baby babe
Oh come back baby, I wanna make
You told me that you loved me
And always would be true
But now you've gone and left me
And made me oh so blue
Love to you
BabeOh baby, come back a-baby come
Oh come back a-baby come
Oh come back baby, I wanna make love to you
Oh baby, babe
Oh come back baby, I want you to love me tooIf I was you little baby
I'd go and have my face
I'd like to see you find a man
You think will take my placeOh baby, come back a-baby come
Oh come back a-baby come
Oh come back baby, I wanna make love to you
Oh baby, babe
Oh come back baby, I want you to love me tooNow you may think I'm jealous
Of everyone in town
But when it comes to lovin'
You're the sweetest thing aroundOh baby, come back a-baby come
Oh come back a-baby come
Oh come back baby, I wanna make love to you
Oh baby, babe
Oh come back baby, I want you to love me tooOh baby babe
