Day After Day

Savatage

I remember finding out about you
Every day my mind is all around you
Looking out of my lonely room day after day
Bring it home, baby, make it soon
I give my love to youI remember holding you while you sleep
Everyday I feel the tears that you'd weep
Looking out from my lonely gloom day after day
Bring it home, baby, make it soon
I give my love to youLooking out of my lonely room day after day
Bring it home, baby, make it soon
I give my love to youI remember finding out about you
Everyday my mind is all around you
Looking out of my lonely room day after day
Bring it home, baby, make it soon
I give my love to you
