

Scummy

Arctic Monkeys

You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
You know it's time to get 'em on, early in the morn'
Leavin' 'em scummie, tried the ground's rollin' on
Take it to the dome, lick 'em up like billy jumpin' passin' baby
I'm fired up, just got up, so what up, shoot 'em up on the 8 flow
Twenty if yo to the left, 6 8, I'm still fresh
55 steez, I turned express in the motel, well again problem
Son a fiend of Henn, pump it up at the hang out I'm about to begin
Scummie, mummie, I'm about to get my money
Who got some on it, on the real I'm on, comes home with me
Trippin' out with my homies, just chillin' with Tenderonies
No question, we gots to get 'em on, no if's, and's or what's about it
No Diggity, No Doubt, it's a must and plus I'm just 'Bout It
Shoutin' scummie, 1 2 3 4 Rodeo in the door kickin' Conflict
All in the lick for the dub see, world wide scumminess 'cause I know ya
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
Kilo be scummie mayn, hustle grounds with a Mack maintain
Wagon rollin', posse swollen, hustle keep that potent game
Blowin' through that wild style punk in the trunk
Watch all the flict get, get swayed
Do ya thang, thang, movin' past it, keep drivin' me crazy
Try to phase me, please understand it
I was raised on cornbread and yams man
Sick a, sick a country jams, nut graded pick is what I am
Gotta deal with it or kill it skillie
Bitch or no chasin', watch 'em fill it
So steal you off your square playa, give it up, phone your spirit
You know how your hustle be on like Perignon
Can't wait for the party to come around
Wanna get buck, get up on the babysitter
Get the trucks for the tight ass and then
Gitty up alright, all day, all night, all across the nation

When it's on take 5, we gone outside
Universal vacation, scummie that is
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
What's it be like 'cause I'm never rest to die, pack for real
Canibus smell up in my gear, gimme Q-tips, so I can clean my ear
Hear what I'm gonna say, what I'm gonna say you just might fear
Leave 'em in bitch said free this year
Everyone toss up Dubs a tear
Appear to be nice, to be nice, the scummie live
We Gitty up hollar Flict, laughin' 'bout song that we did
Doodle ooh, who hoggin'?
Give me a squeeze
You know it's time to get 'em on early as it is
Scummie is what the playa's say
When they bendin' through the keg
Got a head for any kinda hay
And wait can't Duoble Williams way, hey Randy
It don't matter, all them fine and dandy
Bend this block, so I can stop at the barn and chief some from Sandy
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
Party over here, it's time to shower, the place dried up
'Cause I just got paid, comin' through the door where Johnny may
In a bar criss cross Allisade, feelin' hip y'all known as gitty up
And throw my city from the North to the South to the East to the West
Get scummie and the dope gon' tear it up
With the boldest crew bringin' down yo' roof still hollarin' that Flict
Make another brother ball up in a minute, bring it to him
Steady runnin' through ya crew, dumpin' up in 'em, in 'em
And break 'em off right quick
Any time right now, I'm tweaked to the beat
Fallin' asleep, up in the party meet, body heat
Tryin' to move my feet to the beat gitty up with a freak
Still know my P's and Q's, if you snooze ya lose
Wait a minute, what's up fool?
Slow down before there be a Showdown
No disrespect but you brothas know the rules
It's cool, we could get our swerve on
Strokin' on the illa of a killa
For real a, when my ace go boom
Bump in a barn, hit 'em with a smoke alarm, no harm
You know it's time to get 'em on

No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
You know it's time to get 'em on
No doubt about it we gettin' scummie
You know we get 'em up early but we got 'em scummie
...
