

# I Have a Father

Joshua Mike-Bamiloye

I HAVE A FATHER (lyrics)

Verse 1

Iâ€™ve been called many titles  
A wretched boy, a sinner, a little orphan  
I have journeyed in circle  
Like a little piece of nothing in a deep ocean  
Until I discovered the power of love  
the lord of creation adopted me  
He gave me a new hope, a reason to believe  
Now on the edge of glory  
Iâ€™m proud to say

Chorus

I have a father, almighty father  
He never slumbers, Jehovah shama  
Eyin sha lawi maye in  
Eyin sha leleburu ike  
O se mi lanu  
Emi na-an re, baba o  
Baba ara to mo yi omo

Verse 2

Many times Iâ€™m unworthy  
To look upon the greater view of you  
But compassion and mercy is all I see  
Hold my hand and call me your own  
You said Iâ€™m created in the image of you  
If you are not in me then what can I do  
Only your power and wisdom can carry me through  
So until the end Iâ€™ll keep on calling baba mi o

(Chorus)

Bridge

Omo Omo, omo, omoâ€™  
Eyin lasheda ameda aweda o  
Ogbe ogo kari ogo o o o  
(Alade o maa wo le)  
(Baba ton dabo mi)

Baba ton toju mi)

(Chorus)
