

# What's Going On

## Oxymoron

More shitty venues shooting from the ground  
while the cool places all are closing down  
subculture wiped out systematically  
but wee not gone if you drive us away Anger rising, how surprising...[Chorus:]  
What the fuck is going on here  
Where to go, say, where to go ?  
Youe scared us off but wee still out there  
What up, man ?  
What the fuck is going on here  
Where to go, say, where to go ?  
This scheme of yours ain getting nowhere  
What up anyway ? Punkrock banned, "skins don get in here"..  
It getting hard to set up gigs somewhere  
Our cities dying through the council hand  
where once we went to now there fallow land Tidy nation operation Your townscape suffers from the likes of us  
Did you expect us to be off so fast ?  
You can take away our clubs and tear them down  
but you ain rid of us ? wee still in town... Youe gonna get your fucking doors kicked in
