

# Aileen's Unseen Things

[arai tasuku](#)

These mistakes  
That we make  
Can re-undo?

But every dream  
Of things unseen  
Or is it true?

Ah,  
Im fallin to deep  
Please dont wake me  
Ah,  
Im happy Esther  
Here in my head,I

Starin' at the floor  
Wondering when you'll be home  
Where are you?

Guess I should've known  
Probably not below  
What do I do?

Ah,  
I fallin to deep  
Please dont wake me  
Ah,  
Im happy Esther  
Here in my head, I

Ah,  
Im fallin to deep  
Please dont wake me  
Ah,  
Happy  
Happy Esther  
Safe in my head, I

These mistakes (every done)  
That we make

Can re-undo?

(Stay)

But every dream  
Of things unseen  
Or is it true?
