All Night Long

Diddy

I love the way you're talkin'
I'm lovin' what you're doin', boy
I don't fall easy often
I never had a love like you before
I like you, put your number, put your number in my
phone phone phone phone phone phone phone yeah
You heard me right so call me, call me when you're all
alone-lone-lone-lone-lone-lone-lone
Don't make plans
Come on with me we'll stay up all night long
I want you and I want you bad
Let's keep the party goin' all night long
Let's keep the party goin' all night long (hey)
all night long (hey)
all night long (hey)
all night, all night
all night long (hey)
all night long (hey)
all night, all night
a-a-a all night
I'm on another planet
i'm in another universe
You may not understand it
Sooner or later baby you will learn
I like you, put your number, put your number in my
phone phone phone phone phone phone phone yeah
You heard me right so call me, call me when you're all
alone-lone-lone-lone-lone-lone-lone
Don't make plans
Come on with me we'll stay up all night long
I want you and I want you bad
Let's keep the party goin' all night long
Let's keep the party goin' all night long (hey)
all night long (hey)
all night long (hey)
all night, all night
all night long (hey)

all night long (hey)

all night, all night
a-a-a all night
(Missy Elliott)
W can party all night (night)
Wanna spend the night (night)
Boy you be my type by the end of the night
We can pillow fight
Your kisses real nice
Come closer 'cause I don't bite
You talkin' how I like
You play daddy I play wife
I-I-I'm so alone
No-No-No one is home
I got yo, got yo n-n-number in my telephone
Wanna wanna wanna be your girl
Wanna wanna be my man
Well we could hold hands, run our hands in the sand
its the weekend, dont make plans
[Party Starts]When you're here
[After Dark]We don't care
We gon' set it off, we gon' set it off
[Party Starts]When you're here
[After Dark]We don't care
We gon' set it off, we gon' set it --
Don't make plans
Come on with me we'll stay up all night long
I want you and I want you bad
Let's keep the party goin' all night long
Let's keep the party goin' all night long (hey)
all night long (hey)
all night long (hey)
all night, all night
all night long (hey)
all night long (hey)
all night, all night
a-a-a all night
