Miracle of Love

Eurythmics

How many sorrows

Do you try to hide

In a world of illusions

That's covering your mind?I'll show you something good Oh, I'll show you something goodWhen you open your mind

You'll discover the sign

That there's something

You're longing to findThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againCruel is the night

That covers up your fears

Tender is the one

That wipes away your tearsThere must be a bitter breeze

To make you sting so viciously

They say the greatest coward

Can hurt the most ferociouslyI'll show you something good

Oh, I'll show you something goodWhen you open your heart

You can make a new start
When your crumbling world falls apartThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love

Comes your way againThe miracle of love

Will take away your pain

When the miracle of love
Comes your way againThe miracle of love
Will take away your pain
When the miracle of love
Comes your way again and again
And again and again
