

I Know (Dan Bravo Remix)

[Nakala](#)

Funny how it's over now
I Didn't think you'd let me down
Though you said you would
Funny how you're leaving town
Got my heart all broken baby
Then you said you're out Do you still like RnB?
Do you still think about me?
And could I still hit you sometime, baby?
You say you don't hear my shit
But i know for well you listen to all of it
Know, I know, I know, know know know I
Know, I know, I know, know know know I Anytime I ever got to have you
I guess I never really, really had you
And everytime you told me that you loved me
Guess you never really, really loved me
Do you still like RnB?
Do you still listen to me?
And could I come back for you, baby?
If I ever hear you say you miss me
I'll just tell ya never to forget me Cause I know, I know, I know, know know know I
