

# Diva Satanica

## Arch Enemy

Divine queen of evil  
Sowing her seeds of hate  
Mistress of pain  
Diva Satanica Master of temptation  
Chorus: Medusa abuser both beast and beauty  
Seducer she'll use you bring you to your knees Blinded by her infinite beauty  
You are lured into the temple  
The smell of incense burning  
Bride of Satan  
This carnal pleasure yearning  
Too late you realise  
Transgress the rules of this world  
This love is ripping you apart  
Chorus: Medusa abuser both beast and beauty  
Drinking the blood  
Eating the flesh  
Seducer she'll use you as fodder for her dreams  
She's getting high on you  
There is always more blood to spill Watching you die gives her a thrill
