That Girl's A Trick

This Providence

You've got me wrapped around your finger, wrapped around your finger.
Oh, I gladly wear this noose around my neck.
Well, I do not know you, yet.
I do not know you, yet,
and you don't know my first name.
But I, I found you just in time...
I can't get her out of my head
and it drives me crazy.
"That girls a trick", my friends said,
but she drives me crazy.
Honey, this is unkind, you're taking over my mind.
This'll be my demise and I take you out for a drive.
You're taking over my mind and it drives me crazy.
Oh, she is a brown haired girl in a pattern white dress and I've never been so obsessed.
When it comes to mistakes, honey, you take the cake.
Well I do not know you, yet.
Well I do not know you, yet.
You don't know my baby, honey...
Well, I found you just in time to save my life.

I found you just in time to save my... friday night.
I can't get her out of my head
and it drives me crazy.
"That girls a trick", my friends said,
but she drives me crazy.
Honey, this is unkind, you're taking over my mind.
This'll be my demise and I take you out for a drive.
You're taking over my mind and it drives me crazy.
This is how it feels to be the victim of a spell (victim of a spell);
so beautiful and tragic, poetic and romantic, oh.
This is how it feels to be the victim of a spell;
so beautiful and tragic, poetic and romantic, oh.
Oh...
I can't get her out of my head
and it drives me crazy.
"That girls a trick", my friends said,
but she drives me crazy.
Honey, this is unkind, you're taking over my mind.
This'll be my demise and I take you out for a drive.

You're taking over my mind and it drives me crazy...
