Heroes

Shinedown

Stare in wonder, who's here to bring you down?

Find your martyr, I'm sure you've made the crown

So light a fire under my bones, so when

I die for you, at least I'll die alone

Ain't nothing for me to end up like this

There's no comparing me this time

All my heroes have now become ghosts

Sold their sorrow to the ones who paid the most

All my heroes are dead and gone

But they're inside of me, they still live on

Dark devotion in a beacon paradise

Shows no emotion to a willing sacrifice

You can put a man on trial but you can't make the guilty pay

And you can cage an animal but you can't take away the rage

Ain't nothing for me to end up like this

There's no comparing me this time
All my heroes have now become ghosts
Sold their sorrow to the ones who paid the most
All my heroes are dead and gone
But they're inside of me, they still live on
All my heroes have now become ghosts
Sold their sorrow to the ones who paid the most
All my heroes are dead and gone
They're inside of me, they still live on
They're all dead and gone
