Shelter

Porter Robinson

I could never find the right way to tell you
Have you noticed I've been gone?
'Cause I left behind the home that you made me
But I will carry it alongAnd it's a long way forward, so trust in me
I'll give them shelter, like you've done for me
And I know, I'm not alone, you'll be watching over us
Until you're goneWhen I'm older, I'll be silent beside you
I know words won't be enough
And they won't need to know the names on our faces
But they will carry on for usAnd it's a long way forward, so trust in me
I'll give them shelter, like you've done for me
And I know, I'm not alone, you'll be watching over us
Until you're gone
