

# Shelter

**Porter Robinson**

I could never find the right way to tell you  
Have you noticed I've been gone?  
'Cause I left behind the home that you made me  
But I will carry it along And it's a long way forward, so trust in me  
I'll give them shelter, like you've done for me  
And I know, I'm not alone, you'll be watching over us  
Until you're gone When I'm older, I'll be silent beside you  
I know words won't be enough  
And they won't need to know the names on our faces  
But they will carry on for us And it's a long way forward, so trust in me  
I'll give them shelter, like you've done for me  
And I know, I'm not alone, you'll be watching over us  
Until you're gone
