How Does It Feel

Ian Moore

So you were twisted, you were lied to
You're the object of his games
But you never noticed any problems
'Cause you kinda liked that painBut it was my love, kept you going
Kept you strong enough to fall
And it was my heart you were breaking
When he hurt your prideHow does it feel?
How does it feel now?
How does it feel?
How does it feel? Yeah, ohWhen he hurt you, you were kindest
And you let me lick your wounds
And I was happy for a moment
But it ended all too soon'Cause then he'd call you when he was lonely
And say oh he needed a friend
He was only talking bullshit
But you were fooled againSo how does it feel?
How does it feel now?
How does it feel?
How does it feel? Yeah, ohHow does it feel?
When you're down
You ain't got nothingHow does it feel
When you've been left
Oh, you've been left out in the cold?How does it feel?
How does it feel now? Oh
How does it feel?
Yeah, oh, yeahTell me, baby
How does it, how does it
How, how
How does it feel?
