

# Thank God and Greyhound

Roy Clark

I've made, a small fortune  
And you've squandered it all  
You shame me, til I feel about, one inch tall  
But I thought, I loved you  
And I hoped you, would change  
So I gritted, my teeth  
And didn't complain

Now, you come to me  
With a simple, goodbye  
you tell me, you're leavin'  
but you don't, tell me why  
Now we're here, at the station  
and you're getting on,  
And all I can think of..... Is.....

Thank God and Greyhound, you're gone!

(Chorus)

Thank God and Greyhound, you're gone!

I didn't know how much, longer, I could go on!  
Watch-in you take, the respect out of me,  
Watch-in you make, a total wreck out of me,  
That big diesel motor, is playin' my song!  
Thank God and Greyhound, you're gone!

Thank God and Greyhound, you're gone!  
That load on my mind got lighter, when you got on!  
That shiny old bus, is a beautiful sight  
With the black smoke, a rollin', around the taillights,  
It may sound kinda cruel, but I've been silent too long,  
Thank God and Greyhound, you're gone!

Thank God and Greyhound..... you're gone
