Forever

Kiss

I gotta tell you what I'm feeling inside I could lie to myself, but it's true There's no denying when I look in your eyes Girl I'm out of my head over you And I lived so long believing all love is blind But everything about you is telling me this timeIt's forever, this time I know And there's no doubt in my mind Forever, until my life is through Girl I'll be loving you foreverI hear the echo of a promise I made When you're strong you can stand on your own Those words grow distant as I look at your face No, I don't wanna go it alone And I never thought I'd lay my heart on the line But everything about you is telling me this timeIt's forever, this time I know And there's no doubt in my mind Forever, until my life is through Girl I'll be loving you forever Yeah, yeah, yeahI see my future when I look in your eyes It took your love to make my heart come alive 'Cause I lived my life believing all love is blind But everything about you is telling me this timeIt's forever, this time I know And there's no doubt in my mind Forever, until my life is through Girl I'll be loving you foreverIt's forever, this time I know And there's no doubt in my mind Forever, until my life is through Girl I'll be loving you forever
