

# Weekend Soldier

**Gus Black**

I'm a soldier from Tennessee  
Just a weekend soldier on a killing spree  
No alcohol by the sea  
Just a pleasant Sunday killing spreeJust look and you'll find  
I don't own this thing  
Just look and you'll find  
Who's freeI'm a soldier out on leave  
Got a hellish Monday ahead of me  
California, a place to be  
For a weekend soldier on a killing spreeJust look and you'll find  
I don't know this thing  
Just look and you'll find  
Who's freeJust look and you'll find  
Now I own this thing  
Just look and you'll find  
Who's freeI'm a soldier from Tennessee  
Just a weekend soldier  
On a killing spree  
Just a weekend soldier
