I'm Not Contagious

Chromeo

Don't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soul
Don't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soulI look around, recognize anybody, I
Did you see that girl from the grocery store?
Did you make a sound and catch her eye, eye
And did you let her know that you want some more?I tell the lady
Why d'you always frown and not go jaded?
Ohh-hoo, ow, I'm not contagious
But I got the kind of love that knocks you downI tell the lady
Why d'you always frown and not go jaded?
Ohh-hoo, ow, I'm not contagious
But I got the kind of love that knocks you downYou're lost and found when you walked to mine
Just like you were that girl that you've seen before
But she won't come down and you're in denial
So you got the courage to show her what's in storeYou tell the lady
Why d'you always frown and not go jaded?
Ohh-hoo, ow, I'm not contagious
But I got the kind of love that knocks you downI tell the lady
Why d'you always frown and not go jaded?
Ohh-hoo, ow, I'm not contagious
But I got the kind of love that knocks you downDon't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soul
Don't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soulDon't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soul
Don't stop, baby, let the rhythm take your body
Don't stop, baby, let the music take your soulYou tell the lady
Why d'you always frown and not go jaded?
Ohh-hoo, ow, I'm not contagious
But I got the kind of love that knocks you down
